ELIGIBILITY

Hutchinson Health calculates financial assistance based on patients’ total income compared to what is called the Federal Poverty Level (FPL). Patients who’s total income and family size place them at or below 200% of the FPL will receive a 100% financial assistance discount. Patients with a total income and family size that place them less than or equal to 400% of the FPL will receive a partial financial assistance discount. If you are an uninsured patient, you are eligible for a discount that will be automatically applied to your bill. Underinsured patients may also be eligible for a discount. Please contact 320-484-4493 to learn more. If a patient has received emergency or other medically necessary care at Hutchinson Health and is eligible for financial assistance, Hutchinson Health will not charge more than amounts generally billed to patients that have health insurance coverage. Please refer to Hutchinson Health’s Financial Assistance Policy for more information.

HOW TO APPLY

To apply for financial assistance, patients must fill out an application form and return it to Hutchinson Health in person, by mail, or by fax using the contact information above. Patients can also apply online using their HealthPartners online account. Patients will be asked to provide documentation verifying income, assets and information about current or potential health insurance coverage (such as Medicaid, Medicare, or private insurance). For more information, please refer to Hutchinson Health’s Financial Assistance Policy or contact a Patient Financial Advocate at 320-484-4493.
