Canvas Health

7066 Stillwater Blvd, N.
Oakdale, MN 55128
651-777-5222
www.canvashealth.org

About the Organization:

Canvas Health is dedicated to offering hope and help to children, adolescents, adults, the elderly and families who struggle with aging, chemical and mental health, and domestic and sexual abuse. Initially established as a community mental health center in 1969, Canvas Health has grown to become one of the most distinctive private nonprofit human service centers in Minnesota with 11 locations throughout the metro area.

We are community-driven and believe that the vitality and stability of our communities rests on the strength of the individuals and families within them. When those with life impairments are helped to live more freely, we are all lifted up. When we help families and individuals recover from mental illness, chemical dependency, physical and sexual abuse, the world becomes a better place for us all. When we

help seniors to live independently and troubled children to remain at home and in school, we help restore the fabric of family and community life.
